São Paulo, 16th August, 2010.

Dear Karate friends:

The "3rd WUKF WORLD CHAMPIONSHIPS FOR SENIORS AND VETERANS" will be held at Lignano, Italy from **26th to 29th of May 2011** (please note the changing of the period).

The organizing committee, **Samurai Magazine** and **FIK - Federazione Italiana de Karate**, with the approval of WUKF DC, decided to do this change for a better offer concerning the accommodation and meals for the participating federations. As you probably know in June in Italy starts the summer season and especially in G Tour Ville, where we will organize our championships, the prices will be higher.

In May the prices are cheaper for all and the weather is perfect for an excellent summer holiday and for a perfect World Championship as we promise to offer to you.

We are waiting more than 900 competitors from at least 50 Federations affiliated to WUKF; for sure it will be the record of participation of our events.

Prepare your teams, referees and coaches and let's meet in Italy; in short time we will publish in our web site the complete information concerning the participation at the most important WUKF event. Access our website, inform yourself and please don't hesitate to send your questions to us.
